

## Canterbury Pilgrim Trading Card

For your assigned pilgrim create a trading card(like a baseball card):

Front of card: picture of what your pilgrim actually looks like and his/her symbols(details of things they carry or have on them).

Back of card: Name of pilgrim, physical description, symbols, what characteristics/things they are most known for, true character(if it is different from already explained)

For the HOST only: the back of the card should state:

Name, physical description, where he plans to take them, what he wants them to do, how will it work.
